

## WORK EXPERIENCE

### Mobile developer Intern

**ARSII**, Tunisia

July 2021 - September 2021 (3 months)

- Developed mobile app for the university of sousse using Flutter
- Worked with cross-functional teams using GitLab

### Assistant Trainee

**Capgemini**, remote

February 2022 - Mai 2022 (3 months)

- Edited and review technical content
- Wrote technical report about learned concept (SAFe Devops)

### Web Developer Intern

**Proxym-group**, Tunisia

June 2022 - July 2022 (5 weeks)

- Developed Api using Asp.net
- Developed front end using react
- Wrote api documentation and reports

## SOFTWARE ENGINEER PROJECTS

### Image Filter app

**Personal , individual**

- deployed on aws with S3 storage and postgres database
- graphic interface using angular

### Bank management app

**Academic , team , advanced java course**

- graphic interface using javaFX
- sql database management
- lead a 5-person team using scrum framework

### cyber-security Exam platform

**Personal , team**

- secure backend using nodejs and mongoDB
- graphic interface using Nextjs

## EDUCATION

### Software Engineer Degree

**University of ISSATso**, 2019-present

- Valedictorian (2021-2022 )

### Bachelor Degree in Computer Science

**University of Wisconsin-Stout**, 2022-present

- International Exchange Student

## VOLUNTEER WORK AND CERTIFICATES

**Microsoft Student Ambassador(2022)**

**President (2021-2022), Tunisia**, Microsoft Club

**Dev Team member (2021-2022), Tunisia**, Cyber Trace Club

### Certificate

Scrum Fundamentals Certified (2020)

# Mehdi Ben Hariz

## Software Engineer

Highly dedicated person passionate about creating solutions and solving problems

- Proven ability to excel in cross functional teams both workspace and classroom
- Proven skills in web development with nodejs and react
- Strong goal-oriented mindset
